This click will take you to the questionnaires. Please complete all sections.

- The identification and profile questions
- Doyle Questionnaire
- Post Critical Belief Scale
- Melbourne Scale
- Victoria Scale

Answer the questions quickly and intuitively. In your answers, give your honest personal opinion.

When completing the Doyle Questionnaire, the Melbourne Scale and the Victoria Scale you encounter two kinds of questions:

1. **Current practice** in your school. To answer these questions, think about how you experience your school **now**.
2. **My ideal school**. To answer these questions, think about what **you would like** your Catholic school **to be** or **become in the future**.

Your school may ask you to print a Certificate of Completion. This option only arises when the whole of the survey is completed even if taking more than one session to do so.
