

Sacred Heart Staff would like to invite our families to:

Helping children with reading

This session will outline some of the ways that you, as parents and guardians, can help your child with their reading journey. It will be a practical session that will be very insightful into how you can give your child the best head start to reading. Please bring any questions you have about your child's reading or how children learn to read .

**Date: Wednesday
2nd August**

Time: 6-7pm

Where: Prep room

This session is open to all parents in the school but is especially relevant for parents with children learning to read or struggling with reading.

**A pizza dinner
will be provided
at the beginning
of the session.**

**Please bring
your children
along!**
