1st Tue 10.30am Heritage Manor  
2nd Tue 11.00am Mitchell House
Dear Parents, Guardians & Friends,

Welcome Back
Welcome to the 2018 school year at Sacred Heart. To all of our new families, thank you for trusting Sacred Heart with the education of your children. We look forward to continuing the educational partnership with all of our families as we strive for the best learning outcomes for all the children at Sacred Heart.

The year has started with all teachers, support staff and children settling back into the main learning building. While there have been a few hiccups and some mad scurrying and cleaning on Wednesday evening, the final result is one that we can all be very proud of.

Our challenge to now ensure that the quality of the children’s learning matches the quality of the learning environment. There is still some work that needs to be completed. The undercover area needs to be lined, the student toilets need to be rejuvenated and the library will be painted to match the new colour scheme.

I need to acknowledge the skill and vision of Mr Chris Brown of Build Eng in Warragul who has been invaluable in guiding the school through this project. Mr Brett Smart and all the employees of RJ Low Constructions who have been so flexible and accommodating in completing this project. Mr Paul Lomas and Mr Mick Maye of the Catholic Education Office who have overseen and guided the financial aspects of this project. Finally, thanks to all staff for their patience, parents for their understanding and the students for their flexibility while the school went through this transformation.

If you have not seen the new learning spaces, please come in at any time and have a look.

School Board.
This sounds a lot more daunting that it really is. The board meets about twice a term at 6:00 on the third Thursday night of the month. The board is an advisory body that provides input on things like policy matters, financial management, building and ground maintenance and various other matters. The member of the school board are made up of the Principal, a representative of the teaching staff, the Parish Priest, a parish representative and four parent representatives. Please consider being part of the school board to ensure that the governance of the school continues to be completed at the highest level.

Parents Group
The parents group is charged with the fundraising and social aspects of the school. They co-ordinate the school’s various stall and other fundraising activities. The parents group meets two to three times a term at 6:00 on every second Wednesday. There is no limit to the number of people who can be involved, in fact, the more the better.

The first meeting for the parents group is on Wednesday Feb 14 at 6.00pm in the school office. Everybody is very welcome. We envisage the meeting to last no more than 90 minutes and if you need to bring your children along, there are many activities that can be completed in the library.

Drop off and Pick Up
With the building finished we are once again able to utilise the door nearest to Commercial Road. All before school drop off and after school pick-ups is to be done through this door. If you need to see Sylvia or Carmela in the office, please enter through the second door.

Yours in Catholic Education

Welcome Back

A big welcome back to our school community, we hope you are well rested and ready for what will be a dynamic year ahead. Let us all extend a warm welcome to the new families who have joined us this year.

School Photos—Thursday 15th February
Creative Exposure Photography will be at the school on Thursday 15th of February to take school photos.

Children will need to be dressed in full summer uniform with green socks and black shoes.

Photo packs will be sent home today to enable you to place your order. All order packs must be returned back to the school by Monday 12th February with the correct money held inside, if not paying on-line. Please note that change is not available from the school office.

Should you wish to have a sibling photo taken you will need to collect a separate order form from the school office.

Office staff would greatly appreciate you returning your orders on time. Returning them on the morning of the photo shoot creates a problem for the photographer.

Thank you for your co-operation.

School Assembly
School Assembly is held every Thursday in the multi-purpose room at 2.30pm. Please join us in congratulating the students who have an exceptional week in their learning and their leadership. Assembly is also a time to find out what is going on in the school for the upcoming week.

Hello and Happy New Year from the P&F Team. We would love to see new/old faces come and join our fun group. We will be meeting on the 14th February & again on the 14 March in the School Library at 6.00pm. Please consider joining us as new thoughts and ideas are encouraged.

Hot lunch order days will be held again on the last Friday of each month.
